School Website: www.albanvaleps.vic.edu.au

Dear Parents,

Our school swimming program commences next week and will run over two weeks. The Victorian Government has allocated funding over the next two years to support Victorian government primary schools to deliver swimming and water safety as part of the Victorian Curriculum. The funding will assist students to achieve their Victorian Water Safety certificate, a base level of swimming and water safety competency, before leaving primary school. The Certificate is awarded when a student can swim 50m continuously, answer water safety based questions and perform simple rescues.

Our **grade 3-6's** will be the first year levels to attend from **25th until the 29th November** and the **grade Prep-2's** will attend from **2nd until the 6th December**. It is important to remember to mark your child's clothing with their name and to provide a bag for them to store their wet clothing.

School Review

Thank you to the families that have returned the 'Two Stars and a Wish' survey. The information collected from families is extremely valuable as it assists us to continually improve and set the future direction of our school.

Student Grade Placements 2020

Teachers have begun the process of placing children in grades for 2020. This is a very long and thorough process with much consideration given to ensuring that each individual child's needs are met. Students had an opportunity to complete a friendship list and will be placed in a grade with at least one friend. The teacher will refer to this list, as well as their current knowledge of the child, before allocating your child to a class for next year.

Our aim is to create an environment in each classroom that promotes optimal learning. Teachers spend considerable time and effort creating grades which cater for the educational, social and emotional needs of all children.

All students will be involved in a whole school transition day on **Tuesday 10th of December** whereby they will be informed of their 2020 grade, teacher and classroom.

Healthy Food

We encourage children to eat food that is good for their brain development. Please assist us by providing healthy food for their snacks and lunches each day. This will help their brain function for thinking and learning. Whilst Albanvale Primary School is fortunate to be supplied with apples from the Food Bank organisation, children are still encouraged to bring fruit in their lunch box each day.

Uniform

Whilst the end of the year is approaching, we would appreciate your assistance in ensuring that a high standard of uniform is maintained. School uniform promotes a sense of identity, pride, cohesion and good order in a school. It allows students to feel equal and enhances individual student safety and group security, as well as enhancing the profile and identity of the school and its students within the wider community. The School Council Policy of Albanvale PS states that uniform is compulsory for the students of Albanvale. It is important that parents are vigilant in ensuring. Please note: Socks must be worn with closed shoes. Jeans or leggings under dresses are not allowed.

Beginning School Program – Preps 2020

The 2020 Prep Beginning School Program has commenced and will run on Thursdays for the next two weeks. It is wonderful to see how enthusiastic our future prep students are about attending school for the first time. We welcome all of our new families to the school and look forward to a successful partnership in the years to come. Thank you to all the staff involved in ensuring a smooth start for the students.

Raffle

We have had a fantastic start to our Major School Fundraiser Raffle and would like to thank families for their support. There is still time to purchase more tickets as the raffle will be drawn on the **18th of December**.

There are over \$2000 worth of prizes to be won, including a bike, netball ring, scooters, family passes and much more.

Extra tickets can be collected from the office or your classroom teacher. Tickets are only \$2 each.

Families leaving Albanvale PS

Please let the office know if your child is leaving the school at the end of this year so that we may begin the transition process for your child with their new school.

Pop-Up Drive Through Recycling Day returns to Brimbank

Council's second Pop-Up Drive Through Recycling Day will be held at Victoria University in St Albans, on Saturday 30 November from 8am-1pm.

Brimbank residents can safely and conveniently drop-off their unwanted household items, for reuse and recycling at the Pop-Up Drive Through Recycling Day—all at no charge.

The first event in March was a huge success with over 360 residents participating and more than 21,000 kilograms of items were collected on the day.

Residents can drop-off TVs, computers, electronic appliances, whitegoods, furniture (in good condition), bicycles (in good condition), mattresses, homewares, clothes and linen.

Council are partnering with local charity organisations, including the West Welcome Wagon, to collect and reuse unwanted household items, including TVs, computers, electronic appliances, whitegoods, clothing, furniture and bicycles, in good condition.

^{***}The word "gay" has its roots in Old French, which meant I like myself. Gay was originally used as a verb, to mean to like oneself or to love oneself. It was later used as a noun to describe a person who liked himself or loved himself. The word "gay" was first used in English in the late 16th century.

^a See also the following literature cited by reference for discussion of the role of other important factors such as age and training in defining behavior.

⁷ Indeed, Pissari, at least, will continue to argue throughout the interview.
